**W**elcome to the 2020 DEKALB SuperSpiel. Bayer is once again pleased to support this prestigious event on the world curling stage with our canola seed brand; DEKALB®. Although, this past year has been full of new challenges due to COVID-19, we are excited to work towards a sense of normalcy and support great events like the DEKALB SuperSpiel. We look forward to viewing some exciting championship curling!

At Bayer, we innovate in the fields of health and nutrition to meet some of the most fundamental and challenging needs of people. Bayer has three divisions – Pharmaceuticals, Consumer Health, and Crop Science. Our Crop Science agriculture divisions goal is to shape agriculture to benefit farmers, consumers and our planet.

The DEKALB seed brand continues to innovate and offer new solutions for farmers in Southern Manitoba and across Canada. DEKALB offers an extensive line-up of products for farmers and leads the field in breeding innovations. Our priority is to discover new ways to turn yield potential into success through research and development, high-performing seed, agronomic expertise and customized advice and solutions. The 2021 season is lining up as a very exciting year for Bayer and DEKALB as we are launching many new products including BUTEO™ Start for powerful protection against striped and crucifer flea beetles which will be available on all DEKALB canola. Bayer will also have Proline® GOLD available in 2021 for enhanced protection from yield robbing sclerotinia in canola to help growers maximize profitability and production on every acre.

We are thrilled to support the 2020 DEKALB SuperSpiel and wish all the curlers best of luck this week. Thanks to all the local sponsors and volunteers that make this event such a success for so many years in a row. We wish you the very best for another successful event.

**Best Regards,**

## TOWN OF MORRIS

Home of the Manitoba Stampede

### *Welcome to*

On behalf of the Town of Morris, I would like to welcome all competitors, spectators, and sponsors to our community. The DEKALB SuperSpiel has earned a reputation for showcasing world-class curling talent year-after-year, all in our internationally known Cargill Curling Training Centre.

However, this event would not be what it is without our legion of dedicated volunteers. The work done by this group has been essential to the event's continued success. When you see one of these community ambassadors in their distinctive yellow and black jackets, please take a moment to thank them.

While in Morris, please also take time to visit the event sponsors and see what else our community has to offer. We are excited about the future of the Town of Morris, and hope that your visit may encourage you to be a part of this future.

On behalf of Council, the Town, and our citizens, welcome to our community. It is great to see you, and we'd love to see you again.

**Scott Crick**  
Mayor of Morris

*The RM of Morris

## *R.M. of Morris*

The RM of Morris would like to welcome all participants from Canada and around the World! We are very proud of the tradition of professional curling in our communities and are pleased to see you all here!

We are especially proud of the strong committees that have brought this bonspiel to the Region. The RM of Morris is also very proud of its agricultural and industrial roots. If time permits, we would encourage you to explore some of our communities during your stay. We think you will find them very welcoming.

Council wishes the best of luck to each competitor, and hopes that each spectator will have a wonderful time in our communities!

**W**elcome one and all to the 13th anniversary of the DEKALB SuperSpiel. We are still planning a great event following Manitoba Health Covid-19 guidelines. We have hosted 3 great bonspiels already and have been open since July 7th. We will miss our international teams but have a world class field of great Canadian teams. We will have limited fan space but livestreaming of games has become the routine for many participating teams. Listen to media and social media for updates. Safety of all our teams, volunteers, and fans is our number one priority.

This year's event will see some great curling – all hosted "Arena Type Ice" in the Morris Curling Club. We especially want to thank our Super Fans, Players and Sponsors that continue to make the DEKALB SuperSpiel the special event it has become!! This year is different but we will do our best to provide great coverage of this event to our fans some in person and others via the internet and media.

We would like to thank our Title Sponsor, Bayer Canada and their DEKALB Brand for their continued support as Title Sponsor for 13 years! We also thank our Presenting Level Sponsors for their continued support; Meridian Industries (Women) and a special welcome to EcoPoxy our new Presenting Sponsor of the Men's event. To our Official Host Sponsors – the Town of Morris and the Rural Municipality of Morris; Lounge Sponsor – RBC Dominion Securities, Patrick Rae / Royal Bank; and our Web Sponsor – Graphic Intuitions we appreciate all your super support!

We are lucky to have wonderful Media support. It is another critical aspect to the success of this event. We thank them all for their great coverage and dedication to our event. We are pleased to have the Winnipeg Free Press and Golden West Radio as our Presenting Media Partners.

Volunteers are special. We are very fortunate to have many Volunteers that contribute to the smooth running of our event. Many of our Volunteers have been with us all 13 years. Thanks to Casinos of Winnipeg, our Volunteer Sponsor for their support!

Thanks to all the many other Sponsors that also help to make this event possible. We encourage you to take time to look through the program to see our wonderful Sponsor support. We ask you to thank them and support their businesses while you are in the area.

Great events don't happen without great ice. Thanks to Allan Gitzel and his Morris Team for providing super "Arena Ice". We congratulate Greg Ewasko who has moved on to be Curling Canada's chief ice maker but still remains our consultant when called upon. Thanks Greg for 12 great years with DEKALB SuperSpiel.

Due to Covid-19 we are taking a 1 year hiatus from the "Rings of Influence" business reception hosted by the Morris and District Chamber of Commerce and the Town of Morris. It has been a special event for the past 5 years and we look forward to them joining us for the 14th anniversary.

Thank you to all Sponsors, Volunteers, Fans and of course, the Teams for your support of the DEKALB SuperSpiel. Look forward to seeing you all for the 14th annual DEKALB SuperSpiel in 2021!!

**Chris and Lorne Hamblin**  
Co-chairs – DEKALB SuperSpiel 13

## History of the DEKALB Super Spiel

Welcome to the 13TH annual DEKALB SuperSpiel. The Morris Curling Club established the DEKALB SuperSpiel in March 2009 with the wonderful support of Monsanto Canada and the DEKALB seed brand. Monsanto and DEKALB have provided great support to make this event happen over the years. Last year we welcomed Bayer Canada, the new owners of the DEKALB seed brand. We are excited to be partnered with Bayer Canada for the 13th edition and years to come. The bonspiel's name acknowledges the important support of DEKALB as Title Sponsor and evokes the names of the club's 1970's Big M SuperSpiel as well as the DEKALB SuperLeague, which provides a competitive outlet for curlers in the region.

The Morris Curling Club purchased new rocks in 2009 and Allan Gitzel under the tutelage of Greg Ewasko has provided our competitors with top level ice. The Morris Curling Club purchased a TV system in time for our 2nd DEKALB SuperSpiel so that our fans could have a super viewing experience with the ability to watch any sheet from any location in the club. We have hosted teams from around the world and across Canada providing fans with excellent viewing opportunities. With the expansion in 2014 to include 32 Women's teams and the 2015 expansion to also include 32 Men's teams along with the corresponding increase in prize money, the DEKALB SuperSpiel became one of the top events on both the Men's and Women's side. This expansion caused the need for more ice and thus the move to using both Morris Curling Club ice and Arena ice first in Rosenort and for this year in the Morris Multiplex. This allowed all games to be under one roof allowing spectators to walk between venues and games. This year we will have Arena type ice in the Morris Curling Club managed by Allan Gitzel.

Our DEKALB SuperSpiel has also become a meeting place for our Sponsors. It provides an opportunity to meet with customers and to enjoy some curling as well. We say a Super thank you to our many Sponsors that are so important in making the DEKALB SuperSpiel a success.

The DEKALB SuperSpiel continues to be a venue for garnering CTRS points and is an important part of the players' quest for the Manitoba Championship berths which have been allocated to the Manitoba Curling Tour.

We hope you will all join us for the 14th annual DEKALB SuperSpiel in 2021. Check the World Curling Tour, Manitoba Curling Tour and DEKALB SuperSpiel websites for details.

## Volunteers

Welcome Curlers,

Thank you for taking the time to join us at the DEKALB Curling Bonspiel. This is such an unusual time that 2020 has given us. Even though things may look quite different than in past years, please know that we will give you the same care and consideration as other years. Our volunteer numbers may be less this year but the quality of service to you, our curlers and your guests will not disappoint.

I wish you all the best in your games. Looking forward to seeing you!

Thanks,

**Lisa Wiebe, Volunteer Coordinator**

# Men's Teams

## AFTER THREE SEASONS, CHOOSE A SEED WITH AS MUCH POTENTIAL AS YOU.

DEKALB® TRUFLEX™ CANOLA WITH ROUNDUP READY® TECHNOLOGY GIVES YOU THE SPRAYING FLEXIBILITY YOU WANT WITH THE WEED CONTROL YOU NEED.

You might get about 40 chances to achieve your best yield yet from the seed you choose. That's why you need a canola with proven spray flexibility and next-level weed control. You need the proven performance of DEKALB canola. Developed with superior genetics to deliver yield and stand up against disease pressure, DEKALB canola is the choice you can depend on year after year to deliver an easier, faster and smoother harvest.
