November 10, 2020,

Dear sponsors, Teams & fans,

It is uncertain times we are in as we continue to deal with COVID-19. The recent announcement of Southern Health moving to a red zone has forced the closing of the Morris Curling Club for 2 weeks. Since we opened on July 7 we have been operating under Manitoba Health Guidelines and following Curling Canada's "return to play Guidelines". Visit www.curling.ca and Curl Manitoba's www.curlmanitoba.org website for more information.

We have held 3 successful bonspiels since July. With our large waiting room and bar area, as well as the adjoining halls in the Morris Multiplex we have a lot of space to spread out to allow social distancing. We thank all those that have joined us since July.

We have now made a decision to postpone the 13th annual DEKALB SuperSpiel to January 29 – February 1, 2021. This is between the provincial Scotties & Viterra Championships.

We will continue to monitor Covid 19 and keep you informed as decisions are made. We also want to say a super thanks to all our sponsors, teams and fans for being patient and part of this event in unprecedented times.

We look forward to seeing you in January.

Thanks to all.

Stay safe & healthy,

Lorne & Chris Hamblin
