## *Welcome from Bayer*

**W**elcome to the 2022 DEKALB SuperSpiel. Bayer is once again pleased to support this prestigious event on the world curling stage with our seed brand; DEKALB®. We look forward to viewing some exciting championship curling!

The DEKALB seed brand continues to innovate and offer new solutions for farmers in Manitoba and across Canada. DEKALB offers an extensive line-up of products for farmers and leads the field in breeding innovations. Our priority is to discover new ways to turn yield potential into bushels in your bin through research and development, high-performing seed, agronomic expertise and customized advice and solutions. The 2023 season is lining up as a very exciting year for Bayer and DEKALB as we are launching three new DEKALB TruFlex® canola hybrids, four new corn hybrids and two new soybean varieties. With the strong performance of BUTEO™ Start seed treatment, it is now part of the standard base seed treatment package on DEKALB canola which provides powerful protection against striped and crucifer flea beetles. Bayer also recently launched Laudis® herbicide for corn and Cirray™ herbicide for wheat and barley, in an ongoing effort to bring innovative solutions to help farmers maximize profitability and production on every acre.

We are thrilled to support the 2022 DEKALB SuperSpiel and wish all the curlers best of luck this week. Thanks to all the local sponsors and volunteers that make this event such a success for so many years in a row. We wish you the very best for another successful event.

**Best Regards,**

### *Welcome to*

On behalf of the Town of Morris, I would like to welcome all competitors, spectators, and sponsors to our community. The DEKALB SuperSpiel has earned a reputation for showcasing world-class curling talent year-after-year, all in our internationally known Cargill Curling Training Centre.

However, this event would not be what it is without our legion of dedicated volunteers. The work done by this group has been essential to the event's continued success. When you see one of these community ambassadors in their distinctive yellow and black jackets, please take a moment to thank them.

While in Morris, please also take time to visit the event sponsors and see what else our community has to offer. We are excited about the future of the Town of Morris, and hope that your visit may encourage you to be a part of this future.

On behalf of Council, the Town, and our citizens, welcome to our community. It is great to see you, and we'd love to see you again.

## Co-Chair Welcome

Welcome one and all to the 15th anniversary of the DEKALB SuperSpiel. It is exciting for curling to be back to normal. It is great to have so many teams interested in the DEKALB SuperSpiel this year.

You will see some great curling – all hosted on “Arena Type Ice” in the Morris Curling Club under the head ice technician, Matt Rankine. Greg Ewasko has been with us the past 14 years and is unavailable this year. Greg is now Curling Canada’s Head Ice technician. Matt has been helping Greg since 2014 and we welcome him in his new role. Thank-you for 14 years.

We welcome back our Super Fans, Players and Sponsors. Without all of you, the DEKALB SuperSpiel would not have become the special event it is.

We would like to thank our Title Sponsor, Bayer Canada and their DEKALB Brand for their continued support as Title Sponsor for 15 years! We also thank our Presenting Level Sponsors for their continued support; Meridian Industries (Women) and EcoPoxy Presenting Sponsor of the Men’s event. To our Official Host Sponsors – Town of Morris and a special welcome to Morris and District Chamber of Commerce as a new Host Sponsor. Thanks to Lounge Sponsor – RBC Dominion Securities, Patrick Rae / Royal Bank; and our Web Sponsor – Roadmap. We appreciate all your super support! A Super welcome to AGI – Westfield Industries that has joined us in a new category as Presenting Sponsor of “Youth and Development”.

We are lucky to have wonderful Media support. It is another critical aspect to the success of this event. We thank them all for their great coverage and dedication to our event. We are pleased to have the Winnipeg Free Press and Golden West Radio as our Presenting Media Partners.

Volunteers are special. We are very fortunate to have many Volunteers that contribute to the smooth running of our event. Many of our Volunteers have been with us all 15 years. Thanks to Casinos of Winnipeg, our Volunteer Sponsor, for their support!

Thanks to all the many other Sponsors that also help to make this event possible. We encourage you to take time to look through the program to see our wonderful Sponsor support. We ask you to thank them and support their businesses while you are in the area.

Thank you to all Sponsors, Volunteers, Fans and of course, the Teams for your support of the DEKALB SuperSpiel. Look forward to seeing you all for the 16th annual DEKALB SuperSpiel December 1-4, 2023.

Chris and Lorne Hamblin | Co-chairs-DEKALB SuperSpiel 15

## History of the DEKALB SuperSpiel

**W**elcome to the 15th annual DEKALB SuperSpiel. The Morris Curling Club established the DEKALB SuperSpiel in March 2009 with the wonderful support of Monsanto Canada and the DEKALB seed brand. Monsanto and DEKALB have provided great support to make this event happen over the years. In 2019 we welcomed Bayer Canada, the new owners of the DEKALB seed brand. We are excited to be partnered with Bayer Canada. The bonspiel's name acknowledges the important support of DEKALB as Title Sponsor and evokes the names of the club's 1970's Big M SuperSpiel as well as the DEKALB SuperLeague, which provides a competitive outlet for curlers in the region.

The Morris Curling Club thanks Greg Ewasko who has provided our competitors with top level ice the past 14 years. Greg is now Curling Canada's head Ice technician and unable to join us this year. A special welcome to Matt Rankine who has been assisting Greg since 2014 at DEKALB SuperSpiel. The Morris Curling Club purchased a TV system in time for our 2nd DEKALB SuperSpiel so that our fans could have a super viewing experience with the ability to watch any sheet from any location in the club. We have hosted teams from around the world and across Canada providing fans with excellent viewing opportunities. With the expansion in 2014 to include 32 Women's teams and the 2015 expansion to also include 32 Men's teams along with the corresponding increase in prize money, the DEKALB SuperSpiel became one of the top events on both the Men's and Women's side. This expansion caused the need for more ice and thus the move to using both Morris Curling Club ice and Arena ice first in Rosenort in 2014 and then the Morris arena. This year we will have arena type ice in the Morris Curling Club managed by Head ice technician Matt Rankine.

Our DEKALB SuperSpiel has also become a meeting place for our Sponsors. It provides an opportunity to meet with customers and to enjoy some curling as well. We say a Super thank you to our many Sponsors that are so important in making the DEKALB SuperSpiel a success.

The DEKALB SuperSpiel continues to be a venue for garnering CTRS points and is an important part of the players' quest for the Manitoba Championship berths which have been allocated to the Manitoba Curling Tour.

We hope you will all join us for the 16th annual DEKALB SuperSpiel December 1-4, 2023. Check the World Curling Tour, Manitoba Curling Tour and DEKALB SuperSpiel websites for details..
