Morris Curling Club Manager & Board of Directors *Welcome*

It is our pleasure to welcome you to the home of Curl Morris for our 19th Annual Super Spiel! Whether this is your first time here, or you have attended many Super Spiels, we are thankful for your support. We want nothing more than for you to leave this event with fond memories, whether you are competing on the ice or watching some of the best curling you will see in Manitoba. Thanks again to all our sponsors, volunteers, teams, members and fans for participating in this event. We hope you feel at home here and come visit again soon.

The Morris Curling Club is home to many curlers in southern Manitoba. We are very proud to provide high quality services, including facilities and coaching, for those in the community to enjoy, as well as for those competing on the world stage.

Community Curling
If you have never curled before and are new to the sport, come experience curling for yourself. If you want to get back into the sport, you are also welcome. We believe in bringing the community together and the rink is a great place to gather! Our stick leagues, open league and junior curling have all seen different stories of people finding a home here and know you can find your place here too!

Elite Level Training (AICDC)
A new partnership with Asham and the training centre formed the Asham International Curling Development Centre in July and we are honoured they have saw the importance of this facility. Having equipment such as lasers, video equipment, speed traps, and our rock thrower machine, we can analyze slides, sweeping and other physics of curling from a scientific perspective. Having Olympic level coaching, and access to this technical training equipment, we pride ourselves on being at the cutting edge of the game and look forward to working with those who are interested in taking their skills to the next level.

If you have any questions, thoughts, ideas or concerns, please don't hesitate to reach out to any of the board members or the club manager.

You can reach us at: 204-746-2271 or manager@morriscurlingclub.com

Message from the Reeve:

On behalf of the Council, Staff and Residents of the Rural Municipality of Morris we welcome you to the 2026 Morris International Super Spiel. We trust that you will enjoy your time in our municipality.

The Rural Municipality of Morris is a rural area that surrounds the Town of Morris. Our population of approx.. 3,600 is located in the small communities of Aubigny, Lowe Farm, Rosenort and Sperling and the surrounding area. Rosenort itself has a population of roughly 1,000. An additional 1,250 people travel to Rosenort every day for work. Rosenort is the economic engine of the municipality as far as manufacturing is concerned. Top employment sectors throughout the RM are manufacturing and agriculture.

If you are thinking about possible relocation, please consider the Rural Municipality of Morris. We are a growing and prosperous municipality with a strong economy and an exceptional quality of life. Offering a blend of agricultural, industrial, commercial, and residential opportunities, the municipality continues to attract families, businesses, and investors alike. Active industrial and residential development is taking place in both Rosenort and Lowe Farm, reflecting the municipality's continued growth and investment. You can have an urban lifestyle in a country setting.

We may be biased, however we feel that the Rural Municipality of Morris is a great place to live, work, play and stay!

History of the Morris International Super Spiel

Welcome to the 19th annual Morris International Super Spiel. The Super Spiel was established in March 2009 with the wonderful support of Monsanto. In 2019 we welcomed Bayer Canada, the new owners of the DEKALB seed brand. The bonspiel's name acknowledged the important support of DEKALB as the Title Sponsor until 2025 and evoked the names of the club's 1970's Big M SuperSpiel as well as the DEKALB SuperSpiel.

The Morris Curling Club purchased a TV system in time for our 2nd DEKALB SuperSpiel so that our fans could have a super viewing experience with the ability to watch any sheet from any location in the club. We have hosted teams from around the world and across Canada providing fans with excellent viewing opportunities.

Our club boasts excellent ice, from 2009 to 2022, Greg Ewasko, assisted by Matt Rankin, provided us with top level ice. In 2023 Matt Rankin, assisted by Scott Churchill, took over producing world class ice for our competitors. In 2026 Scott Churchill will be the head ice maker at the Morris International Super Spiel.

Our Super Spiel has also become a meeting place for our Sponsors. It provides an opportunity to meet with customers and to enjoy some curling as well. We say a super thank you to our many Sponsors that are so important in making the Super Spiel a success.

The Morris International Super Spiel continues to be a venue for garnering CTRS points and is an important part of the players' quest for the Manitoba Championship berths which have been allocated to the Manitoba Curling Tour.

We hope you will all join us for the 20th annual Morris International Super Spiel November 25 - 28, 2027. Check the World Curling Tour, Manitoba Curling Tour and Morris Curling Club websites for details - www.morriscurlingclub.ca

Welcome to the 2026 Morris International SuperSpiel

On behalf of all our volunteers, we would like to extend a warm welcome to all curlers, families and fans joining us for the 19th Morris International Super Spiel!

We are fortunate to have such an amazing group of volunteers working hard this weekend, ready and willing to help make this Super Spiel a great one. If you have any questions or need assistance, please don't hesitate to approach any of our volunteers. They will be happy to help!

Some of our volunteers work with the Curling Club year-round, while others have come specifically to help make this event a success. Some have been part of the Super Spiel since it first began, while others are joining us for the first time. They all share one thing in common: a passion for making the Morris International Super Spiel the best possible experience for everyone.

To all the curlers, best of luck! Have fun and enjoy the competition. To the families and fans, enjoy the weekend! Take in some outstanding curling as you watch local and international teams compete. Cheer them on, introduce yourselves, and let the curlers know what a fantastic job they are doing!
